Subject: Review of Updated Reclamation Cost Estimates, Sunroc Corporation, Levan Henry Mine, M/023/0023, Juab County, Utah

Dear Mr. Sumsion:

Thank you for your cooperation in submitting a revised reclamation cost estimate for the Levan Henry mine, received October 8, 2013. The Division of Oil, Gas and Mining has reviewed this estimate, and the unit costs were based on Blue Book costs from 2007 and 2008. Please update these to 2013 costs. Please contact the Division for assistance if you need 2013 unit costs.

It appears the contact information in the existing Notice of Intention (NOI) is out of date. The operator is listed as H. E. Davis Construction Inc. Please update the operator information by submitting an amendment to the NOI. Please submit the amendment and the revised cost estimate by December 20, 2013.

Please contact Wayne Western at 801-538-5263 or me at 801-538-5261 if you have questions.

Sincerely,

Paul B. Baker  
Minerals Program Manager
